- Guiding the client to address feedback within the same request.

About Botzo

Botzo is a Saudi platform for WhatsApp Business solutions and business-customer communication management. It helps organize conversations, manage customers, campaigns, and automation, and follow up with teams from one place.

Meta Business Account Verification Service Agreement

An agreement made between Botzo Establishment ("Botzo") and the client signing below, setting out the terms for providing the service described in this document.

1

Article 1 – Definitions

"Botzo": refers to Botzo Establishment, commercial registration No. 7022030105, headquartered in Riyadh, Al-Arid district.

"Client": the person or entity requesting the service described in this agreement.

"Service": the service of preparing and following up on the Business Verification request with the Meta platform.

"Meta": the company that owns the WhatsApp, Facebook, and Instagram platforms, and holds final authority over the verification request.

2

Article 2 – Subject of the Agreement

Under this agreement, Botzo undertakes to provide the client with the service of preparing the business account verification request with Meta and following up on it until a final decision is issued, in return for the fee agreed upon in Article 5.

3

Article 3 – Scope of the Service

The service includes:

- Reviewing the client's business activity data before submitting the request.
- Preparing and submitting the verification request through Meta's official available channels.
- Following up on the request and notifying the client of any feedback received from Meta.
- Guiding the client to address feedback within the scope of the same request.

4

Article 4 – Client's Obligations

The client undertakes to provide Botzo with the following: commercial registration or proof of business activity, official contact information, the official website link if available, and access to the Meta Business account when needed.

The client also acknowledges full responsibility for the accuracy of the data and documents provided, and that discrepancies between sources (commercial registration, Meta Business account, website, official communication channels) may affect the outcome of Meta's review.

5

Article 5 — Fee and Payment Method

The service fee is SAR 1,500, paid in full in advance before work begins. This fee covers the professional preparation and follow-up service and is entirely separate from any Botzo platform subscription fees.

6

Article 6 — Turnaround Time

The service turnaround time ranges between 3 and 10 business days from the date of receiving all required data and confirming payment. This period may vary depending on Meta's response time and the nature of the review.

7

Article 7 — Final Decision and Disclaimer

The parties acknowledge that the final decision to approve or reject the verification request rests exclusively with Meta, and Botzo has no authority or influence over this decision. Botzo undertakes to follow up on the request professionally and with reasonable care, without this constituting any guarantee of approval or rejection.

8

Article 8 — Refund Policy

The service fee is non-refundable once work has begun, since work starts immediately upon payment confirmation with an actual review of the data, preparation, and follow-up of the request, regardless of the decision Meta subsequently issues.

9

Article 9 — What the Service Does Not Include

This agreement does not include: amending or updating the commercial registration, creating a new Meta Business account, managing or running advertising campaigns, or any fees related to the client's subscription to the Botzo platform.

10

Article 10 — Confidentiality and Data Protection

Botzo undertakes to maintain the confidentiality of the data and documents provided by the client and not to use them except for the purpose specified in this agreement, in accordance with Botzo's approved privacy policy.

11

Article 11 — Termination of the Agreement

Either party may terminate this agreement if the other party breaches one of its material obligations and fails to remedy it within a reasonable period after being notified in writing, without prejudice to Botzo's right to retain the paid fee in accordance with Article 8.

Article 12 — Governing Law and Dispute Resolution

This agreement is governed by the laws of the Kingdom of Saudi Arabia. In the event of any dispute that cannot be resolved amicably, the competent judicial authority in the Kingdom of Saudi Arabia shall have jurisdiction to settle it.

Article 13 — Client's Acknowledgment and Consent

The client acknowledges having read and understood all the terms of this agreement, that it is a service independent of their Botzo platform subscription, and that the decision to approve or reject the verification request rests exclusively with Meta, as confirmed by signing below.

Important Notice

Business activity data should match as closely as possible across the commercial registration, Meta Business account, website, and official communication channels. Discrepancies in data may affect the review outcome.
